TALLAL TURFE

Dear Friends and Supporters,

It is our great honor to invite you to become a sponsor of **ACC's 46th Annual Celebration**, taking place on **Thursday, August 28th at 6:00 PM** at **MGM Grand Detroit**. This milestone event will be an inspiring celebration of ACC's legacy, our clients' resilience, and the unwavering dedication of our supporters and partners.

This year's theme is **"Beyond the Surface"**—a powerful reminder that the needs we see are only part of the story. At ACC, we are committed to providing more than just essential services. We go deeper, walking alongside individuals and families to address the complex, often unseen layers of need that affect their well-being, dignity, and opportunity.

Whether it's education, mental health support, career development, or creating spaces where people feel truly seen and valued, our work goes far **beyond the surface**—because lasting change happens when the whole person is supported.

This evening will be a celebration of community resilience, compassion in action, and the collective impact we create when we come together with purpose and vision. We hope you will join us for an inspiring night filled with powerful stories, heartfelt connections, and a shared commitment to building a brighter, more equitable future.

Your generous sponsorship will enable ACC to expand its reach and impact, ensuring that families, immigrants, and individuals of all backgrounds are supported not just in surviving, but in thriving. Together, we are creating a future where our best and brightest can fulfill their potential—because when that happens, our entire community flourishes.

As a sponsor, your organization will join a distinguished network of changemakers, advocates, and leaders from across the State of Michigan—united in the belief that dignity, opportunity, and empowerment should be accessible to all.

Enclosed you will find a sponsorship package detailing the various levels of support and visibility opportunities. Your presence will not only honor the work we've done—it will help propel the work still to come.

Sincerely,

Haifa Fakhouri, PhD
Founder, President/CEO
